The motion passed.</p>	<ul style="list-style-type: none"> • EMA will send out meeting appointments to the LEPC. • EMA will post the meeting schedule on the EMA webpage.
Ongoing Business		
Spills	<p>Two (2) hazmat spills were reported between September 19th, 2014 and January 15th, 2015.</p> <ul style="list-style-type: none"> • October 7, 2014 – Transmission fluid/gasoline from multi-vehicle accident in Miami Township. • November 24, 2014 – Reported as 2 oz. of hydrazine at Duke Energy – Beckjord; substance was confirmed to be water. 	
Information Requests	EMA received two information requests since September 18, 2014. The first request was for parcels of land located at 1981 James E. Sauls Sr. Drive (IRG Batavia I, LLC; Ford Motor Batavia Transmission Plant; ZF Batavia, LLC) and 2035 Front Wheel Drive (United Way Mercury Response; Northside Health Center Mercury) in Batavia Township. The second request was for 527 Lila Avenue (Milford Main Middle School) in Milford. There was nothing to report for any of these locations.	
Tier II Reports	<p>Tier II Reporting is due by March 1, 2015. The SERC will be sending out the 2015 Emergency Planning and Community Right to Know Reporting Guidance today. This will include:</p> <ul style="list-style-type: none"> • 2015 SERC Facility Reporting Compliance Manual • Instructions for Oil and Gas Production/Storage Site • Instructions on how to submit and what to submit • Facility Annual Chemical Filing Fee Worksheet • Oil and Gas Extraction and Storage Site(s) Annual Filing Fee Worksheet 	<ul style="list-style-type: none"> • EMA will send electronic files out to the LEPC.

	<p>The packets should be delivered on or around January 22, 2015. There are no changes in reporting requirements. The SERC is encouraging facilities to submit via Tier 2 Submit: http://www2.epa.gov.epcra/tier2-submit-software.</p>	
Annual Exercise	<p>The Wayne Township hazmat spill response in August, 2013 has been approved by SERC for full-scale exercise credit for the first year of the 4 year cycle. We have met 8 of the 13 required objectives that must be tested during the 4 year exercise cycle.</p> <p>The Duke Energy – Beckjord Station – Ohio River Diesel Spill on August 18-23, 2014 in Pierce Township has been approved by the SERC for functional credit for the year 2. We met 4 of the 5 objectives tested in this incident. The group reviewed the corrective action plan for Objective 1: Initial Notification and the recommended actions for the LEPC from the Duke Energy After-Action Report.</p> <p>Clermont County will not be eligible for any additional real world incidents during Years 3 and 4 as only 2 real world incidents are allowed during the 4 year cycle,.</p> <p>We need to begin planning for a functional exercise for FY16 to test the EOC. The exercise is tentatively scheduled for the spring of 2016.</p>	
Budget	<p>A copy of the budget is attached to the minutes.</p>	
Hazardous Material Emergency Preparedness (HMEP) Grant	<p>The 21st Year HMEP Grant closed on September 30, 2014. A minimal amount of surplus will be rolled over to 2015.</p> <p>The 22nd Year Grant Application was due on December 15, 2014 to OEMA with a performance period of October 1, 2014 through September 30, 2015. EMA did not apply due to the new grant guidance and activities and the short window of opportunity. The grant can no longer pay for LEPC staff time to update the HazMat Plan. The grant allows for hiring contract support to update plans and coordinate exercises.</p> <p>EMA has received a Duke Energy Training Grant in the amount of \$5,000.00. These funds will be dedicated to the Functional Exercise in 2016.</p> <p>A PUCO (Public Utilities Company of Ohio) Planning and Training Grant is available. We will apply for this grant in 2015 to support our Functional Exercise in 2016. While no local match is required, it was noted that bonus points are received if there would be a local match.</p>
